The illegal or abusive use of alcohol and other drugs by members of the campus community jeopardizes the safety of the individual and the community and is contrary to the academic learning process. Marian University is committed to having a campus that is free of the illegal or abusive use of alcohol and other drugs. In keeping with this commitment, it is the policy of the university that the illegal or abusive use of alcohol and other drugs is prohibited at all times. Possession or manufacture of drug paraphernalia which is to be used for any one of the following purposes: (a) to introduce into a person's body a drug, marijuana, or any controlled substance, (b) to test the strength, effectiveness or purity of a drug, marijuana, or any controlled substance, or (c) enhances, or is perceived to enhance, the physiological effect of a drug, marijuana, or any controlled substance, is also a violation of this policy.

Conduct sanctions the university may employ for violations of the university drug and alcohol policies include dismissal, suspension, probation, restitution, suspension from university housing, forfeiture of financial assistance, or such other sanctions as deemed appropriate by the university. Students may be accountable to both civil authorities and the university for acts that constitute violations of law and university policy. Student conduct action at the university will normally proceed during pending criminal proceedings and will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.

Students need to be aware that any student convicted of a state or federal drug violation that occurred while enrolled and while receiving federal financial aid may be declared ineligible for future federal student aid for up to one year. Individuals convicted of both possession and selling may face a longer period of ineligibility. Students should contact the Office of Financial Aid to understand the full policy.

The university will notify parent(s)/legal guardians(s) of drug violations. The university encourages students who are experiencing substance abuse problems to seek assistance from resources available to them on campus, as well as from agencies and self-help groups available in the community. A list of these resources is available from the Student Health Center, the Marian University's Dean of Students or Counselt

During the period of any investigation a respondent can be put on administrative leave if they are an employee of the university. Dating Violence, Domestic Violence, Sexual Assault, Stalking, and Consent, *Code of Student Rights and Responsibilities*- appendix E

Intimate Partner Violence is defined as the use of physical violence, coercion, threats, intimidation, isolation, stalking, or other forms of emotional, sexual, or economic abuse directed towards a partner who is or has been in a dating relationship of a romantic or intimate nature.

Stalking is a course of conduct directed at a specific person that is unwelcome and would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

Sexual Misconduct includes but is not limited to sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, or sexual exploitation (see notice of nondiscrimination)**.**

Consent is knowing, voluntary, and clear. Consent is effective when it is an informed, freely, and actively given mutual agreement, communicated by clearly understandable words, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical, or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; the lack of informed, freely given consent to sexual contact constitutes sexual misconduct.

Sodomy: *Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.*

Sexual Assault with an Object: *To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity*.

Fondling: *The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will, where the victim is incapable of giving consent because of his or her youth or because of his or her temporary or permanent mental or physical incapacity.*

Incest: *Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.*

Statutory Rape: *Sexual intercourse with a person who is under the statutory age of consent.*

Robbery: *The taking or attempting to take anything of value from the care, custody, or control of*

use, growing, manufacturing, and making of narcotic drugs. The relevant substances include opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Weapon Law Violations: *The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: the manufacture, sale, or possession of deadly weapons; the carrying of deadly weapons, concealed or openly; the furnishing of deadly weapons to minors; aliens possessing deadly weapons; and all attempts to commit any of the aforementioned acts.*

    b. Manslaughter by Negligence
